

# IEEE Membership

*Advancing Technology and Your Career*

**Exclusive IEEE Member  
Benefits for Students**

 **IEEE**  
*Advancing Technology  
for Humanity*

## Suscripción de Nuevos Miembros ESTUDIANTILES a la Membresía IEEE

### PASO 1

Ingresar al portal [iee.org](http://iee.org) y dar clic en *Create Account* (ubicado en el menú superior).

### PASO 2

En el caso de poseer una cuenta IEEE, ingrese su *E-mail address* y su *Password* asociados a su cuenta y continúe con en el Paso 5. Caso contrario, dar clic nuevamente en el botón *Create Account*.

**PASO 3**

Completar los datos requeridos y luego dar clic en el botón *Create Account*.

IEEE.org | IEEE Xplore Digital Library | IEEE Standards | IEEE Spectrum | More Sites

Cart (0) | Create Account | Sign in

IEEE Advancing Technology for Humanity

### Create an IEEE Account

\* Required field

**Provide your personal information**

\* Given/First name:

Middle name:

\* Last/Family/Surname:

**Enter email address & password**

The email provided here will be the username of your account.

\* Email address:

\* Re-enter email address:

\* Password:

\* Confirm password:

✓ Your password is good

Passwords must be between 8 and 64 characters, and include at least one number. [More...](#)

### Your account has been created. You are now signed in.

What can I do with an IEEE Account?

- Sign into various IEEE sites with a single account
- Personalize your IEEE experience
- Save searches and set alerts (in IEEE Xplore)
- Access personal subscriptions (in IEEE Xplore)
- Participate in online communities
- Get member discounts
- Manage your IEEE personal profile
- Track purchases

**Continue**

Join now and save 50% on membership dues

There is no better time to discover all that IEEE membership has to offer. Join now and get membership benefits through the end of 2017, plus save 50% on membership dues.

> Join today

Inspire the future and make an impact

Get involved

- > Become a member
- > Volunteer
- > Join a Society
- > Attend or organize a conference
- > Publish a paper
- > Join a standards working group

Get connected

- > Network with technical professionals
- > Join a private group to collaborate with peers
- > Find local activities and events
- > Get the latest news

**PASO 5**

Luego de haber creado su cuenta, sus nombres y apellidos aparecerán en el menú superior. A continuación, dar clic en el botón azul *Join IEEE*.

The screenshot shows the IEEE website homepage. At the top, there is a navigation bar with links to IEEE.org, IEEE Xplore Digital Library, IEEE Standards, IEEE Spectrum, and More Sites. A search bar is located on the right. Below the navigation bar, the IEEE logo and tagline "Advancing Technology for Humanity" are displayed. A search bar is also present. The main navigation menu includes links for About, Membership, Communities, Conferences, Publications, Standards, Education, and a highlighted "Join IEEE" button. Below the navigation menu, there is a "Special Message from IEEE President" section. The main content area features a large image of a person working on a laptop with the text "[JOIN] forces with our global network". To the right of the image, there are three sections: "Welcome, members!" with "Access myIEEE" and "Renew" buttons; "Get involved" with a list of activities; and "Get connected" with a list of networking options. At the bottom of the main content area, there is a banner that says "Inspire the future and make an impact".

**PASO 6**

En el caso de ser estudiante de pregrado o postgrado, dar clic en el botón *Join as a student*.

The screenshot shows the IEEE website page for joining as a student. The navigation bar at the top includes links for About, Membership, Communities, Conferences, Publications, Standards, Education, and a highlighted "Join IEEE" button. Below the navigation bar, there is a breadcrumb trail: Home > Membership > Join. The main content area features a large banner with the text "[JOIN] forces with our global network". Below the banner, there is a section titled "Become an IEEE Member Today | Save 50%". The text below the banner describes the benefits of joining IEEE, including access to a community of over 425,000 technology and engineering professionals, resources for staying up-to-date on technology, and opportunities for networking and collaboration. A "On this page:" section lists links for Benefits, Qualifications and dues, Membership and testimonial videos, Additional resources, and Current members. At the bottom of the main content area, there are two buttons: "Join as a professional" and "Join as a student", with the "Join as a student" button highlighted in a red box. A small footnote at the bottom of the page states: "\*Only new members or returning members with a lapse in service are eligible for half-year dues."

PASO 7

En la nueva página, completar el área *Contact and profile information* con los datos requeridos y luego dar clic en el botón *Save*.

**\* required fields**

**➤ Contact and profile information**

Your primary address will be used for membership mailings, subscriptions, and local section assignment. Please note that primary address changes, such as country, could affect availability of some products and services.

**\* Address type:**  Home  Work  University/College  Other  
Remaining characters: 9

**\* Name:**

**\* Country/region:** Peru

Organization/dept name:

**\* Address:**

**\* City/Locality:**

State/Province/Territory:

ZIP/Postal code:

Birth date: Day  Month  Year

Gender:

Telephone number:  Mobile

[Include "\*" and country code, Example: +1 XXX XXX XXXX]

**Save** > Cancel

**➤ Professional and education information**

Professional and education information is used to personalize your membership experience.

Are you currently a professional or a student?

PASO 8

Continuar con el área *Professional and education information*, ingresar los datos requeridos y luego dar clic en el botón *Save*.

**➤ Professional and education information**

Are you currently a professional or a student?

I am a professional  
Join IEEE as a professional member  
> View dues > View benefits > View qualifications

I am a student studying at least part time  
Join IEEE as a student member  
> View dues > View benefits > View qualifications

**Add new education information**

Complete this section to be eligible for Student membership.

**\* University/college:**

**\* Student status:**  Undergraduate  Graduate

**\* Degree being pursued:**

**\* Academic program:**

**\* Expected graduation date:**

**\* What is your current field of study?:**

**\* Is your university/college accredited?:**

**What technology area are you most interested in?**

**\* Current technology focus:**

An undergraduate or first university degree is a minimum requirement for some grades of membership. You can add certifications or advanced degrees to "My Profile" at any time.

**Save** > Cancel

✓ **IEEE Power & Energy Society Membership** Add selected item(s)

The IEEE Power and Energy Society (PES) embraces planning, research, development, design, application, construction, installation and operation of apparatus, equipment, structures, materials and systems for the safe, reliable and economic generation, transmission, distribution, conversion, measurement and control of electric energy. It includes the developing of engineering standards, the providing of information and instruction to the public and to legislators, as well as technical scientific, literary, educational and other activities that contribute to the electric power discipline or utilize the techniques or products within this discipline. The society sponsors various conferences throughout the year, including the PES General Meeting and the International Conference on Power Technology.

PES members also gain access to the **IEEE PES Resource Center**, a library with hundreds of technical reports, tutorials, conference videos, webinars, presentations and more.

PES also offers networking opportunities, access to peer-reviewed technical journals and educational materials that help our members stay-up-to date on the latest advances including renewable energy system design and integration, smart-grid

**Price** US\$109.50
